Description of Activities:

Internship Program –

KCVM-FM, KCNZ-AM and KCFI-AM annually conducts an on-going internship program to give high school and college students a hands-on experience in radio broadcasting. The stations invited students to apply for the various internship opportunities through recruitment at the local high school guidance offices and speech coaches, and by contacting the internship coordinators at University of Northern Iowa (UNI) and Wartburg College.

Two (2) interns took part in the program during the reporting period of October 1, 2020 to September 30, 2021.

School Career Fairs/Events –

KCVM-FM, KCNZ-AM and KCFI-AM annually contacts area schools and offers to participate in any school career fairs and events that may be scheduled. Various employees participate in the events, depending on the specialty the students are most interested in.

Due to the pandemic, there were no opportunities for attending career fairs or other educational school events.

Youth Radio Writing & Recording Program –

KCVM-FM, KCNZ-AM and KCFI-AM conduct a program each October including 30 fifth grade students from area schools. The students are given the opportunity to write Public Service Announcements and record the announcements for airing on the local radio stations. Station staff trains the students on writing and recording skills as part of the process.

School Communication Award –

KCVM-FM awarded the Communicator Award locally in the Cedar Falls School District at Hansen School. The award is given to a student who has demonstrated skill and ability in the field of communication. The student chosen for 2021 was Carston Cota. Bob Westerman presented the Award during the school awards banquet.
